RE: Proposed changes to the Articles of Procedures

From your presentation and club request, please find the attach copy of the Articles of Procedures that reflects the adding of the position of Executive Secretary to the District staff.

The Rotary Club of Weirton Heights respectively endorses this new position and changes to the Article of Procedures and requests them to be posted on the District website so each club has access to review these changes.

We further request that each Club president be contacted, informing that this information is on the website, and each club required to submit to you, District Governor Dave Whalen, notice of their clubs' acceptance or rejection of this proposal on or before the Annual District Conference on April 26, 2018.
